

## CensusAtSchool

### **CaSSos20 BEING AUSTRALIAN, SIMILARITIES AND DIFFERENCES**

The data used in the tables below were taken from the 2008 CensusAtSchool Random Sampler.

The sample consists of 200 students, at all year levels and is taken from across Australia (postcode range 0000 – 9999).

The data in the tables below were taken from the CensusAtSchool Random Sampler. Variation will occur between samples and you can expect data from each random sample to be different from any other sample.

#### **In which state/territory or country were you born?**

| <b>Place of birth</b>                           | <b>Number of students</b> |
|-------------------------------------------------|---------------------------|
| Victoria                                        | 43                        |
| New South Wales                                 | 43                        |
| Queensland                                      | 29                        |
| South Australia                                 | 28                        |
| Western Australia                               | 16                        |
| Tasmania                                        | 13                        |
| England                                         | 4                         |
| Other Australian Territories                    | 3                         |
| New Zealand                                     | 3                         |
| South Africa                                    | 2                         |
| Northern Territory                              | 2                         |
| Australian Capital Territory                    | 1                         |
| Singapore                                       | 1                         |
| Romania                                         | 1                         |
| Philippines                                     | 1                         |
| Papua New Guinea                                | 1                         |
| Papua New Guinea                                | 1                         |
| Other European                                  | 1                         |
| Korea; Republic of (South)                      | 1                         |
| Indonesia                                       | 1                         |
| Hong Kong (SAR of China)                        | 1                         |
| Egypt                                           | 1                         |
| Cyprus                                          | 1                         |
| China (excluding Hong Kong and Taiwan Province) | 1                         |
| Canada                                          | 1                         |
| Bulgaria                                        | 1                         |

### What colour are your eyes?

| Eye Colour | Number of students |
|------------|--------------------|
| Brown      | 69                 |
| Blue       | 62                 |
| Green      | 18                 |
| Hazel      | 35                 |
| Grey       | 2                  |
| Other      | 14                 |

### What did you have for breakfast this morning?

| Breakfast food                                                  | Number of students |
|-----------------------------------------------------------------|--------------------|
| Did not have breakfast                                          | 15                 |
| Bread or a bread product (e.g. toast, pancakes, dried biscuits) | 62                 |
| Breakfast Cereal                                                | 103                |
| Breakfast Bar/Snack bar or pack                                 | 3                  |
